

The perfect meeting location

The Spread Eagle is an attractive coaching Inn nestling within the Forest of Bowland, an area of outstanding natural beauty, in the heart of the Ribble Valley.

Be inspired by the gorgeous river Ribble views from our large picture windows and enjoy the modern country charm of this delightful inn whilst you work!

On one side of the building flows the River Ribble, on the other are the remains of the C12th Cistercian Sawley Abbey. In the distance admire the magnificent and brooding Pendle Hill casting its shadow.

Our lovely Inn uses a delicate palate of colour for its furnishings but also has open stonework, fireplaces, flag floors and oak beamed ceilings.

With space for up to 80 delegates our Abbey Suite is the perfect venue for your team meeting, training seminar, strategy planning or company away day.
